WELCOME

Welcome to EdJobsNW Substitute Services! As a substitute through our service, you are part of a team that is committed to providing the best possible educational opportunities for the students of our member districts. Your role is vital in maintaining the continuity of the educational programs for our students in the absence of the regular teachers, paraeducators and secretaries; maximizing the potential of each student.

The role of a substitute, whether you are certificated or classified, is a challenging and valued one that brings many rewards to both you and to the students. It takes a gifted person to be able to work with elementary students one day and high school students the next, and to make a difference with both.

With the expectations for schools continually increasing to raise student achievement, maximizing each day of a student's education is critical. The services of a dependable, well-prepared substitute are essential to providing continuity in student academic achievement. A substitute is an important part of expanding the learning and intellectual growth of our students. We are pleased that you accepted this opportunity to assist in the growth and success of our districts' students.

This handbook, the *Substitute Role and Responsibilities* you signed as part of the application process, along with assistance from building principals, secretaries, classroom teachers, and paraeducators will provide you with the necessary tools to assist in meeting the educational needs of our students.

Again, welcome to our schools and best wishes for an outstanding and rewarding year!

GUEST EMPLOYEE PAYROLL REQUIREMENTS

The EdJobsNW Guest Employee Services and its member school districts value well qualified substitutes. In addition to being qualified, the documents listed below must be completed at each school district in which you plan to substitute. Griffin, Hood Canal, McCleary and Tenino School Districts prefer you complete the documents the first time you work in their district. The remaining member districts request that you complete the documents prior to accepting a placement in one of their buildings, preferably once you are approved to substitute.

For your convenience, a list of school district offices is provided on the next page. The necessary documents will be provided to you by the district. In addition to completing the documents, you will need to provide the district with specific documents as noted below.

1. **I-9, Employment Eligibility Verification** (Federal Immigration)
Federal law requires completion of the I-9 form to validate U.S. citizenship and authorization to work in the U.S. You will need to provide each district with:
 - **Photo Identification** (e.g. – driver’s license, passport, etc.)
2. **Social Security Card**
You are required to provide your original card (no copies) to the payroll office. They are required to make a photocopy for their records to document your identity.
3. **W-4, Income Tax Deductions**
Before a pay warrant can be issued, you must have a W-4 form on file identifying your income tax deduction status.
4. **Additional Forms**
Each school district may require you complete additional forms.

Head Start-ECEAP Centers

The paperwork described above was completed during your application process. You do not need to complete any additional forms for payroll purposes.

Compensation for Class Coverage

- You are required to work for the entire time of the accepted placement. This may include coverage for an unfilled classroom during a prep period.
- There is **no** additional compensation for covering an additional class during a prep period as you are already being paid for your time.

Error in Placement

In the event you report for duty, and no placement exists for the listed job number, you may call the Guest Employee Services office to see if another placement is available. If not, he/she may choose to remain at the building in an alternate placement designated by a building administrator for one half-day and be paid the half-day pay rate, or you may choose to leave the building and receive no compensation.

Retirement Contributions

You may be eligible to purchase retirement service credit directly from the Washington State Department of Retirement Systems (DRS). The number of hours worked for all employers that participate may establish eligibility and be submitted to DRS at the end of the school year. For complete details contact the Department of Retirement Systems at 360-664-7000 or visit their website at www.drs.wa.gov.

DRESS FOR SUCCESS

Dress for success and to impress, every day! Dressing for success will allow you to gain the respect needed to set a positive example for students. It is important to remember that students are very good at modeling the behavior they observe in adults. Failure to dress appropriately may also impact the way an administrator, teacher, other staff, and/or students perceive you. You want to stand out as a professional, not look like a student.

Dressing for success has three main effects in a classroom and will assist you to:

1. Maintain respect
2. Establish credibility
3. Establish yourself as an authority figure

Dress Guidelines for Men:

- Suit should be conservative style with a white or solid color shirt (tie optional)
- Dress slacks with a business shirt and tie
- Dress shirts should always be tucked in
- Jeans may be worn if clean and in great condition (free of holes)
- Shoes should be closed toe and in good condition
- Body piercing or tattoos should not be exposed
- Hair and facial hair should be clean and properly groomed
- **Most buildings are “Fragrance Free”** - Cologne should be used sparingly

Dress Guidelines for Women:

- Dresses – nylons should be worn if the dress does not fall below the knee
- Nice slacks with blouse or sweater
- Jeans may be worn if clean and in great condition (free of holes)
- Midriff tops and tops exposing too much cleavage should not be worn
- Skirts – length should fall no higher than the top of the knee
- Shoes should be closed toe, heel or pump style (comfortable) and in good condition
- Make-up should be subtle
- Hair should be clean and styled appropriately
- Body piercing or tattoos should not be exposed
- **Most buildings are “Fragrance Free”** - Perfume should be used sparingly

NOTE: If participating in a field trip, supervising students on the playground or teaching physical education, casual dress is appropriate: jeans, shirt/sweater and tennis shoes. All clothing must be clean, in good condition and appropriate.

Clothing should NOT display a logo or reference any type of drug, tobacco and or alcohol product.

INFORMATION AND EXPECTATIONS

The report time will be given through Absence Management. Please note the assignment start and end times given to you via Aesop (phone or web). **It is imperative you arrive on time for all assignments.**

Report to the school office upon arrival. Upon checking into the building office and signing in for your guest assignment, you may receive a badge. The badge must be worn while you are on the property and turned in to the office at the end of your guest assignment. Badges may not be required by all districts and or buildings.

If for any reason you cannot report to your scheduled assignment, a 24 hour notice is preferred. Aesop will not allow you to cancel a guest assignment within 12 hours of the designated start time. You are expected to contact the school stating you are unable to report to the scheduled guest assignment. Provide your name and the employee's name for which you were scheduled.

Lunch break – Guest employees may elect to leave the school during his/her lunch break. You **MUST** let the secretary know if you leave the premises. The guest employee must return prior to the start of class, so as not to leave the class unattended at any time. Other options are to bring a lunch, or purchase an adult lunch from the school cafeteria. You can request this upon checking in with the building secretary.

Guest Teachers (prior to leaving), leave the teacher a detailed note highlighting (1) Your experience with the class/classes and include students' names for positive and negative behaviors. (2) List students' names who were absent. (3) Straighten the room, chairs, desks, etc. (4) Close and lock all windows, and turn off all machines, electrical appliances and lights. (5) Return guest badge, keys and any other materials to the school office when checking out at the end of your guest assignment.

It is difficult to give a substitute an estimation on how often they will be called. It depends on such factors as the substitute's availability of dates, interest in subject matter, performance of each guest assignment and the districts' daily needs. Remember that too many limitations will restrict your opportunities. In crucial times of need, we hope that the guest employees will be available and assist where needed.

In the event of inclement weather, listen to the local radio and or television stations for school reports regarding late starts and or closures.

The need to grade papers for guest teachers varies by class and grade level. Papers can generally be graded at the elementary level, particularly when teacher's editions or grading keys are available. The work at the secondary level may require the regular teacher to evaluate students' work. If you are asked to grade papers, look for the teacher's instructions and follow those guidelines.

Classroom management is necessary for learning to take place. Be familiar with multiple classroom management and behavior techniques. Always be fair, firm and friendly in the operation of the class. Good discipline is positive, not negative. At no time are you to administer corporal punishment. When following the building's discipline procedure, you may need to request assistance from the office.

ABSENCE MANAGEMENT (formerly Aesop)

Absence Management (formerly Aesop) is the computerized absence management and substitute placement system used by the EdJobsNW Substitute Services office. The system dispatches substitutes for daily placements as requested by our member districts. Absence Management (formerly Aesop) allows you to review current placements, review available placements (job shopping), cancel a placement, and review personal information. Absence Management is available via internet and phone. The same information is available through either option.

ABSENCE MANAGEMENT CALL-OUT PERIODS

Absence Management places outgoing calls during the following scheduled hours:

Monday through Friday

5:30 AM – 1:00 PM for placements that day only

4:00 PM – 9:30 PM for jobs in the future

Saturday and Sunday

4:00 PM – 9:30 PM for all unfilled placements

Holidays

4:00 PM – 9:30 PM for all unfilled placements

Exceptions

Absence Management will not call out on the following holidays: New Year's Eve, Fourth of July, Thanksgiving, and Christmas.

Absence Management is available 24 hours a day, 7 days a week for employees of our member districts to report/review an absence and for substitutes to accept/review placements.

GUEST EMPLOYEE PLACEMENT & ABSENCE MANAGEMENT

As a guest employee, it is your responsibility to report for work at the start time given in Aesop and remain for the entire duration of the guest assignment.

1. **Guest Employee Placement** - School districts participating in the EdJobsNW Guest Employee Services, seek to fill daily vacancies on an as-needed basis.
 - a. The procedures followed to fill vacancies vary from district to district and school building to school building. These procedures are subject to change as required by our districts.
 - b. Guest employees are dispatched for placement on a rotating basis within parameters established by the Guest Employee Services office.
 - c. **Be advised, there is no guarantee of placement on any given day and no ongoing expectation of placement**
2. **Preference Lists** - Absence Management offers placements to guest employees at three levels in the order shown below:
 - a. **Employee Preferred Substitute List** - Employees may place up to five (5) favorite preferred guest employees on his/her *Preferred Substitute List*. These guest employees will receive an email notification of the available placement as soon as the placement has been entered. Once the placement has been accepted by one of the preferred guest employees, the other guest employees will be notified that the placement has already been filled if he/she tries to accept the placement. Guest employees on an employee's preferred list will have access to see/hear the placement until it is filled.
 - b. **School Preferred Substitute List** – Guest employees are placed on the school preferred substitute list based on the schools he/she selected on the availability form. Guest employees may change the schools in which he/she prefers to work by contacting the Guest Employee Services office.
 - c. **District Preferred Substitute List** – Allows a guest employee that works for at least one school within a specific district access to unfilled placements within that district. These placements may be at any school and for any position based on if the guest employee is certificated or classified. However, certificated guest employees may accept a classified placement and will be paid the classified pay rate. Our goal is to fill all district vacancies for each day.
3. **Job Shopping** – All guest employees are encouraged to log into Absence Management and accept placements via the web and/or by phone. Absence Management only calls guest employees as a last resort to fill placements. Calls are only made up to two (2) days prior to the start of the placement.
4. **All guest employee placements should come directly from Absence Management. You should not report to a school unless you were placed through the Absence Management system and received a job number. Guest employee placement without confirmation through Absence Management may result in non-payment.**

GUEST EMPLOYEE PLACEMENT & ABSENCE MANAGEMENT continued

- a. If a school asks you to return the next day or a future date, ask the building secretary to prearrange you through Absence Management. You will be scheduled for the placement, but will NOT receive a confirmation call.
- b. If you receive a call directly from an employee, ask him/her to enter a job in Absence Management.

Wait a minute or two and then log in to Absence Management and accept the placement. If you have trouble accepting the placement, call the Substitute Services office for assistance. If you reach voice mail, leave a detailed message so that your issue can be resolved quickly.

5. Certificated Placement – Full-day or Half-day?

When reviewing a placement offer and want to know if it is for a full-day or half-day, ignore the text that states *Half Day* and *Full Day* (as shown below). Instead, review the start and end times listed. A full-day placement is 3 hours and 46 minutes or more and a half-day is 3 hours and 45 minutes or less.

Wed, 1/25/2017	<div style="border: 1px solid green; border-radius: 50%; padding: 5px; display: inline-block;">8:10 AM - 11:55 AM</div>		GARFIELD
Thu, 1/26/2017	<div style="border: 1px solid green; border-radius: 50%; padding: 5px; display: inline-block;">8:35 AM - 4:05 PM</div>		TUMWATER HILL

6. **Canceling a Placement** – If you need to cancel a placement, please do so as soon as possible so the placement can be filled by another guest employee. If you cancel a job for the same day as the placement you will not be offered any other placements for that day. If you cancel a placement over the weekend for a job on Monday, you may not be offered any other placements for Monday.
 - a. Use **Absence Management** to cancel a placement if it is **more than 12 hours** before the scheduled start time.
 - b. Contact the **Guest Employee Services** office to cancel a placement **within 12 hours** of the scheduled start time.
7. **Upon Arrival** - When arriving at a school you **MUST** check-in with the main office. You are required to stay on-site for the full duration of the placement. When leaving the school, you **MUST** check-out at the main office and return any keys or other materials that you were given upon arrival.
8. **Scheduled Late Start Days** - If you are scheduled to work on a late start day, you must report to work at the start time listed in Aesop. NO EXCEPTIONS.

Adverse Weather - In the event of snow or other adverse weather conditions, listen to a local radio or television station to find out if schools are in operation or on a late arrival schedule. If you are scheduled to work at a school that has been closed, do not report for your scheduled placement. You will not be paid for this day. If school is running 2 hours late, you should report to the school 2 hours late. You will be paid for the hours worked.

A SUCCESSFUL GUEST EMPLOYEE WILL...

1. Compile a set of note cards containing pertinent information about the schools where you may be assigned.
2. Keep a notebook and pen by the phone you use to answer early morning calls.
3. Assemble a “Bag of Tricks.” Keep it well stocked and ready. (A “Bag of Tricks” should have a variety of school activities appropriate for the grade level or subject area assigned to supplement the lesson plans if necessary.)
4. Leave early enough to arrive to your placement at the scheduled time.
5. Arrive on time (the start time given by Absence Management) and dressed for success.
6. Report to and sign in at the main office upon arrival.
7. Receive instructions and materials, including classroom keys (if applicable) that have been left for you. You may wish to request a map of the building.
8. Obtain the bell schedule and any special activities for the day from the office staff.

CLASSROOM MANAGEMENT TIPS

Classroom Management Tip –

The “I understand” Technique

There are two words that can stop most protests from any student and let you take control of the situation. These two words are, “I understand.”

- If a student says, “But that’s not fair!” you can say, “I understand, however, that’s the way it is.”
- If a student says, “I hate you!” you can say, “I understand, however, I am the teacher today and you are expected to follow my directions.”
- If a student says “This assignment is stupid,” you can say, “I understand, nevertheless you will need to have it completed for class tomorrow.”
- I understand: Two simple words that no one can argue with.

These tips are courtesy of the Substitute Teaching Institute at Utah State University. Additional tips are available by visiting their website at <http://subed.usu.edu>.

CLASSROOM MANAGEMENT TIPS continued

Positive classroom management and student behavior begin by setting clear expectations for the students. It is imperative that you model and promote positive behaviors to the students. Below are explanations and examples for each of these expectations.

Classroom Expectations are the rules used to help the students to remain focused; they are the standards that guide student behavior. A substitute must uphold these standards for classroom expectations.

Instructional Expectations are the assignments that the students need to complete according to the plans.

Procedural Expectations are the methods and ways the student must use to complete the tasks and assignments.

The following are examples of positive classroom (behavior) management strategies:

- Write your name on the board and pronounce it for the students, so they can use it when addressing you.
- Begin the day firmly. Students need to sense that you can and *will* control the situation. Once they know that, you can use humor and enthusiasm without risking that the class will get out of control.
- Learn and use students' names as quickly as possible; relate to them as individuals.
- Treat all students with respect.
- Be Positive. Try to provide as many students as possible with opportunities to succeed – and to receive praise for succeeding.
- Keep students on task – and keep activities moving. Use lesson plans – and have a game or activity in mind to make the day special.
- Try to involve students who appear disinterested. Try to find ways to motivate them. Should a student refuse to become involved, however, do not force the issue. Let him/her observe quietly.
- Go to students' desks when they need help. This will help minimize confusion and needless commotion.
- Encourage students to help or express their opinions or advice in a constructive way. This will help keep them interested and motivated.
- Seek solutions, do not place blame on a student.
- Say *please* and *thank you* every chance you get.
- Have a back-up activity for students that have completed assignments early.
- **AND REMEMBER** – substituting demands flexibility!

MAINTAINING PROFESSIONAL STAFF/STUDENT BOUNDARIES

In a professional substitute/student relationship, substitutes must maintain boundaries that are consistent with the legal and ethical duty of care that school personnel have for students. A boundary invasion is an act or omission that violates professional substitute/student boundaries and has the potential to abuse the substitute/student relationship. An inappropriate boundary invasion means an act, omission, or pattern of such behavior by you that does not have an educational purpose.

Unacceptable Conduct

Examples of inappropriate boundary invasions include, but are not limited to the following:

- Any type of inappropriate physical contact with a student or any other conduct that might be considered harassment under each school district's Board policy on Sexual Harassment;
- Sharing pornography with a student;
- Singling out a particular student or students for personal attention and friendship beyond the professional substitute-student relationship;
- Being present where students are consuming alcohol, drugs or tobacco;
- For a non-guidance/counseling substitute, encouraging students to confide their personal or family problems and/or relationships. If a student initiates such discussions, you are expected to refer the student to appropriate guidance/counseling staff. In either case, your involvement should be limited to a direct connection to the student's school performance;
- Sending students on personal errands unrelated to any educational purpose;
- Banter, allusions, jokes or innuendos of a sexual nature with students;
- Disclosing personal, sexual, family, employment concerns, or other private matters to one or more students;
- Addressing students, or permitting students to address you with personalized terms of endearment, pet names, or otherwise in an overly familiar manner;
- Maintaining personal contact with a student outside of school by phone, email, Instant Messenger or Internet chat rooms, social networking websites, or letters (beyond homework or other legitimate school business) without including the parent/guardian;
- Exchanging personal gifts, cards or letters with an individual student;
- Socializing or spending time with students (including but not limited to activities such as going out for beverages, meals or movies, shopping, traveling, and recreational activities) outside of school-sponsored events, except as participants in organized community activities;
- Giving a student a ride alone in a vehicle in a non-emergency situation; and/or
- Unnecessarily invading a student's privacy, (e.g. walking in on the student in the bathroom).

Appearances of Impropriety

The following activities are boundary invasions and can create an actual impropriety or the appearance of impropriety. Whenever possible, you should avoid these situations. If unavoidable, these activities should be pre-approved by the appropriate administrator. If not pre-approved, you must report the occurrence to the appropriate administrator as soon as possible.

- Being alone with an individual student out of the view of others;
- Inviting or allowing individual students to visit your home;
- Visiting a student's home; and/or
- Social networking with students for non-educational purposes.

GUEST EMPLOYEE RESTRICTION PROCESS

The following steps are taken by a school principal and/or district administrator when he/she receives a request for a guest employee to not return to a building and/or school district.

1. The principal is to complete an *Inadequate Service Report* form and forward it to the Human Resources Department of his/her school district.

In the case of a serious incident or concern, the substitute will be temporarily removed from the substitute list until an investigation has been completed.

2. The Human Resources department will review the incident or concern and determine whether or not the guest employee should be restricted from a building and/or school district. Once a decision is made, the Human Resources department will complete his/her section of the *Inadequate Service Report* (ISR) form and forward it to the EdJobsNW Guest Employee Services office.

If the incident or concern is forwarded to the Office of Superintendent of Public Instruction (OSPI) Office of Professional Practices (OPP), the guest employee will be placed in an inactive status pending the outcome of the OPP investigation.

3. The Guest Employee Services office will notify the guest employee of the restriction.
4. If multiple *Inadequate Service Report* forms are received from school districts regarding concerns with the same guest employee, the EdJobsNW administrator may bring the matter to the EdJobsNW *Advisory Committee* to determine if the guest employee should remain in the guest employee pool.
5. If the Guest Employee Services office receives an ISR form(s) for a guest employee regarding tardiness, no-shows and or leaving assignments early, the guest employee will be receive the following:
 - **First offense** - The guest employee will receive a verbal warning.
 - **Second offense** - A letter will be emailed and physically mailed to the guest employee notifying him/her that this is his/her second offense and a third offense may result in being removed from the guest employee pool.
 - **Third offense** – May result in the guest employee being removed from the substitute list.

CANCELLATION OF A PLACEMENT BY A GUEST EMPLOYEE

As a guest employee through the EdJobsNW Guest Employee Service, you play a vital role in the continuing education of students when the regular employee is absent. It is crucial that when you accept a placement, you show up and work as agreed. We realize that on occasion there may be a valid circumstance in which you are unable to fulfill your placement; however, this does not go unnoticed by the school and the Guest Employee Services office.

Our records show that many placements are canceled by substitutes, and most cancellations occur within 72 hours of the scheduled placement. In most cases, canceling a placement this close to the start date and time results in the placement going unfilled; causing schools to pull staff from other areas of

the buildings in an effort to fill the vacancy. This not only causes disruption to the administration and staff; but more importantly, to the students and their learning.

Continual cancellations of placements within 72 hours may result in a warning, temporary and/or permanent removal from the substitute pool. We are committed to providing each classroom of our member districts with substitutes who are well qualified, dedicated to the education of children, and who work on a regular basis. Thank you for helping us to honor this commitment. Your reliable presence is invaluable.

SCHOOL DISTRICT POLICIES AND PROCEDURES

Below are links to the policies and procedures of each member school district. If you are viewing this handbook electronically, click on the link(s) below for each district in which you plan to substitute to review their policies and procedures. If you are viewing a hard copy of this handbook, you will need to go to each district's website to review their policies and procedures. You will notice that some of our districts do not have a link on their website. For those districts you may request to view the policies and procedures from any of the schools within that district.
